

Between 12 noon and 6:00 pm, both the blue and green trolleys are driving the same loop around Rockville. For safety, no one under 13 will be allowed to ride without an adult/parent. Security personnel will be riding the trolleys all day, equipped with HAM radios for constant contact with "home base." Stops include:

- Springville Mill on West Main Street
- River of Life Church on Talcott Avenue (Open House tour)
- Church of the Risen Savior on Ellington Avenue (Open House tour)
- Cornerstone Soup Kitchen (Open House tour)
- An Open House at Tri-Town Shelter on East Main is also included.

Free horse-driven haywagon and surrey rides will operate on the BOLD RED route above. They will take an inverted U-shaped route from Union Church, up Elm, right on Prospect, right on Park Street, and back again. One-way rides only. Both ends of the rides are adjacent to the Jesus-Fest midway, so once you get off, you can easily enjoy the rest of the event.
